“ My deepest sympathy and heartfelt condolences to the family. Mose was my legal mentor for more than 30 years; he recommended me for attendance at law school on May 6, 1982. I have his fine letter of recommendation in my files to this day. As deputy for administration and purchasing agent at Unified Industries, in Virginia, for more than 13 years, and as General Manager of Transportation Management, Inc., in Washington, DC, for more than 2 years, Mose represented me in my status and position with the corporations in all legal affairs both in Washington, DC and Virginia, and worked with me as a corporate attorney in the most superb manner. His keen sense of humor and legal expertise in all his endeavors never ceased to amaze me. It was a great delight to be in his presence. He was indeed the finest and most outstanding corporate attorney, and friend, I have ever known. Even after my departure from Unified Industries in 1986, Mose continued to advise me on legal matters whenever I called on him. He was there. I shall solely miss him. My personal legal mentor, he was to me. May God's blessings continue to be his reward, and may God smile upon his family, and wrap His mighty arms around them, in their special hours of bereavement.##imported-begin##Charles J. “ Dear Elaine and family,

I'm so sorry to hear of Mose's passing. I recall all the support he gave to members of AFTRA and, especially, the evenings when he would attend our Local Board meetings. He was always ready and willing to share advice and counsel and, more important, his love and affection with us. We will always miss him but will be ever grateful for the gift of his presence. Our thoughts and prayers are with you.##imported-begin##Mary Lynne and Joe Krebs##imported-end##

“ To my dear and wonderful former MNCPPC colleague Elaine, I'm so sorry for you and the family upon Mose's passing. I just know you gave him 1000% in providing all the mental/physical/moral support you could muster on his behalf during his final passage.

Without in any way diminishing his contributions to your relationship since I didn't know him except through you, I do know he was priviledged to have such a wonderful and caring person by his side for all these years. We here at MNCPPC were also so very fortunate for that same reason. My thoughts and prayers are with you all,.....steve.....##imported-begin##Steve Federline##imported-end##
