“ *Moses had a true wit about him and a gift of telling stories. We enjoyed many good days at the Capital Power Plant working together. May God bless Betty and the family through this time of physical seperation. God has healed him completely and we can say together we will see you later Moses.*

“ *Please accept my sympathy for your loss. During this time, may all be comforted by the wonderful hope at Revelation 21:4: "And he will wipe out every tear from their eyes and death will be no more. Neither mourning nor outcry nor pain be anymore. The former things have passed away."*
