“ I met Masette when I transferred to 4D in 2022. She quickly became one of my most trusted friends. She always greeted me with a big smile saying, "Hey baby!" and tell me that we women in law enforcement have to stick together and support each other.

I remember how happy she was in her last week just before retirement. I was on limited duty at the time, so I was working in the station with her and we'd be cracking jokes when there was nobody at the front counter. In one of my last texts to her, I said, "Walking into the substation isn't the same without you sitting at the desk [teary-eyed smile emoji]. How's retired life?!" and she replied, "Great, I'm on a cruise and leaving Binimi now, two more days and I'm ready to go home. Thanks for thinking of me."

To her family--I'm terribly sorry for your loss. I know how difficult it is to suddenly lose your loved one. I hope you find comfort in knowing how admired, appreciated, and loved Masette was and how much we will all miss her. I will not be able to attend the services as I'll be out of town but I will be thinking of you and be there in spirit.
