Many people are forgotten easily. Your smile and bright personality made you unforgettable. I feel blessed to have been able to see you and celebrate my life earlier this year. Rest well and try not to blind the angels with that smile.##imported-begin##Tanya Pope##imported-end##

“ *My Prayer's go out to you and your family. I never thought I will wake up and not here you voice in the morning and at night. We knew each other for about a year and grew closer everyday. You were part of my life and will be deeply miss. I still think of our conversations we had and how foolish I have been. I will miss you and love you always.*

“ I can only imagine your sadness! There are few, if any words, that seem appropriate at a time like this; but in the daze of shock and the need to reach out we try to find something to say...I want to say that I know what it's like to lose a child; but I don't. I want to say that everything will be alright; but I know life will never be the same again. I want to say that God knows best; and I know He does. I want to say rejoice that you had Denise for what seems like a short time; but in God's time her season was fixed before the earth began. I want to say press on - tomorrow will come and the next day and the next week and the next year -one day at a time my friends! After all that's all we have.
You're in my prayers,
Katie##imported-begin##Katie Johnson##imported-end##

“ Donâ??t think of her as gone away-
Her journeyâ??s just begun,
Life holds so many facets-
This earth is only one.

*Just think of her as resting
From the sorrows and the tears
In a place of warmth and comfort
Where there are no days and years.*

*Think how she must be wishing
That we could know today
How nothing but our sadness
Can really pass away.*

*And think of her as living
In the hearts of those she touchedâ?|
For nothing loved is ever lost-
And she was loved so much.*

“ I will always miss everything about you! I pray that your sons honor your memory by representing you right by becoming all they can be and being successful at whatever they choose. Over the past couple of years, you grew on me faster than any person I ever known. Especially someone that's always viewing things on the opposite specturm as I do. We argued about EVERYTHING from my hatred of Go_Go music all the way to my overly conservative views on black society today. You've given me advice through the good and bad times of my life. The last bit of advice you gave me I will treasure and live up to for the rest of my life! You said: "YOU ARE ONLY ON THIS PLANET ONE TIME SO YOU HAVE TO APPRECIATE THE LIFE THAT GOD BLESSES US WITH EACH AND EVERYDAY AS A THANK YOU TO HIM. YOU CAN'T LOCK YOURSELF UP AS IF YOU ARE IN JAIL. YOU HAVE TO CHERISH YOUR LIFE. BE HAPPY. HAVE FUN. LAUGH." I promise you Denise...I will open up, loosen up, and cut up once in a while. I promise to take more chances and risk to live a more exciting life. I also promise to appologize to a "mutual friend of ours" for the way I conducted myself and contributed to her views of certain men. I love you girl! I will forever miss you!!!!##imported-begin##Isaac Surgick##imported-end##

“ I will miss Denise very much, I had know her more than half her life she was my sister- in -law. I Thank God for having had the chance to know her. She was funny, fiesty and just herself there was no one like her. I watched her grow into a very good woman and mother. I pray that God will give all who knew and loved her the strength to go on without her. but the truth is Denise will live on in our memories and through her 3 sons, they have lost more than we can imagine. “ With Love I say goodbye to Denise- you were my sister in-law and my Sister, even though life gave us different paths the love remained and never diminished. I can still quite vividly picture your smile. Your eyes and smile said that above despair JOY is what you chose to live with. I Pray that is a legacy your three son's Andrew, Robert, and Johnathan will take with them always; that no matter what life brings you can always choose Joy and live life to the fullest.

I know you are now in a better place with our Lord Jesus Christ; as he welcomes you into his fold I ask for his grace and blessings for those you have left and has lost your ray of sunshine.

Andrew, Robert, Johnathan you know you are very much loved so I pray that you go out and conquer life and become the strong Godly men your mom would want you to be. Make her proud!

God Bless,

“ To my friend Denise:
Go rest now precious one,
Your life in eternity has just begun. Now you can walk, your legs are brand new. All of heaven is now in your view. Look all around, it's all in your sight, There will never be another dark night. Flowers and jewels, the street of pure gold, and all of the things that have been told. I can just imagine the smile on your face as you walk all around in that beautiful place. Greeting other angels as you walk along, while singing heaven's most beautiful song. This is so very hard, but it will be okay, because this isn't goodbye, we'll see you one day. We all love you and we all miss you and at times it will be tough, but as with everything else, God's grace will be enough..... I miss you MD.. your family is in my prayers....##imported-begin##Reginal Cooper##imported-end##
