“ *One that we all love and wish to become more like. The biggest heart that you graciously shared with all of us. Each day you showed us the importance of having a close knit family and friends. You prayed with us and over us. Guided us when we needed advice or offered an ear to listen. Even when you where sick up to end you were still praying for us. For all that you have done we will forever and always be thankful. Forever grateful to have been in your presence. Thankful for all that you have given us and taught us. Whenever we need strength we know that you will be there. Knowing that your spirit is here guiding us and pushing us along we can never go wrong. I Love Me Some You. God send let you go and Trust Me.*
