“ *I was deeply saddened to hear that Mrs. Nannie passed away. I had the pleasure of meeting her while working at Bolling AFB (then the 11 CONS) from 1999-2004. She was always so kind and had a wonderful spirit. Jennapher Howard-Washington*

“ *I met Nannie in Feb 1989, Andrews AFB Contracting Office. Her beautiful smile and warm welcome quickly put me at ease. We remained great friends. I'll miss my true friend, but she will be forever in my heart and my thoughts.*

“ I was blessed to have met Nannie over twenty years ago while on active duty, stationed at Andrews Air Force Base. Always kind, supportive, and outgoing with a sense of humor I don't think many folks knew about. A LADY with a beautiful spirit, she always made time to listen and give sage advice, not always what you wanted to hear but, more importantly, what needed to be said. She is and always will be my friend, and my sister. She is with the lord now, but she will always have a special place in my heart because I will never forget her.

*I am a former co-worker and friend of Nanny's while with the IRS Office of Procurement in Oxon Hill. The news of Nanny's passing came to me as a complete shock. Nanny was a wonderful Lady; she was always supportive and helpful to everyone around her and her positive demeanor, eagerness to help others and great sense of humor have left a lasting impression on me. I regret that I will not be able to make the trip to Maryland from New England for the services, but Nanny's memory and the recollections I have of the "Aloha Cafe" and other fine moments with our IRS Procurement Family will forever be remembered; so long great friend and colleague. My deepest sympathy goes out to the Goldring family at this difficult time. Fran Callaghan*

*I am so very surprise and so very sad to hear of Nannie's passing. I have known Nannie as a neighbor growing up from childhood to adulthood. She had one beautiful smile and lovely singing voice. I am truly going to miss running into her as our paths have crossed over the years.*
