I worked with Nate in Lake City, FL. We became really good friends shared a lot of stories talked about our families , our future plans and just life observations. He was a really deep thinker and intelligent young man and I'm going to miss my brother. R.I.P Nate your memory will live on bro.

I met Nate while working with him at Micron. We would always joke about football and other things we had in common. He was a very bright spirit and I will miss seeing and joking with him. Rest easy brother. Prayers for his children and his family. We will all miss you here at Micron. Heaven gained a good one.

“ I met Nate at work and we interacted in the hallways and break room. We spoke about God and children. My wife and i have 6 kids ages, 17 and up. He said all of his kids are young. we related about being tired on 12 hour nights. we sometimes both sought the same comfortable chair in the breakroom and took turns using the best chair. a lot of people will pass by in the hallway without saying a word-but Nate was a friendly guy. a blessing to me. i'm saddened by his passing-he will be greatly missed.
