“ *Aunt Jackie was my Dad's sister. Although I didn't get to see her as much as I wish, I thought about how my Aunt Jackie was doing all the time. I wanted to make sure that she was alright; and made sure that my Dad was taking time out of his busy schedule to call his wonderful sister. Aunt Jackie was a kind, beautiful woman. She was always loving towards me, and she will always be remembered, from me, as one of the best aunts; and also one of the most kind-hearted people. Aunt Jackie was another that makes me proud to be a "Harris." Love you always. -Bird##imported-begin##Robin Harris##imported-end##*

“ Dear Penny Larry, Deyonna, Shayla, Les, Earl and family:

*Jackie will always be a part of our hearts; she will never be forgotten. She was our friend and more of a sister to us than a first cousin; Larry and Jackie talked about two or three times a week about everything and she always asked about those that were sick. Jackie was loved because she was such a caring person, and she loved you dearly. She always had a story to tell about one or the other. We have missed her from the time we heard the sad and upsetting news and with every day that goes by, but we try to remind ourselves that she is in a better place and that God never makes a mistake. We know that God has already said to her "welcome into my kingdom, your work on earth is finished, job well done my child." There will always be that vacant spot in our hearts for her that cannot be filled. We will continue to keep you in our prayers.*

*With love and blessings###imported-begin##Larry & Margaret Christian###imported-end##*
