“ *Bernadine was a part of us in the Highland High School Class of 1965 in Gastonia, NC. She was quite popular and a joy to have as a friend. Although many of us have lost contact over the years, classmates and class memories remain dear to each of us as we recall the good times we all had when we were together. So, Family, we know that when you lose someone dear to you, no one else really knows all that you feel, but please know that many caring thoughts are with you during this, your time of sorrow and bereavement.*

We know and understand that you have received many expressions of love and we will continue to lift you up in prayer. May the memories you cherish of brighter and happier days help to ease your sorrow and comfort you always.*
