“ *We know this must be a very difficult and demanding time for your family. In times of distress we need comfort that soothes our heart. May the peace of God guard your hearts. With caring thoughts.*

“ *Condolences to the Harris family, especially Lawrence and Gina. Olivia was a wonderful person, vibrant smile, and intense ALTO voice. We loved her and she loved us. She will be sorely missed. But I can hear hear already singing in the choir, praising the Lord. She was my soror, my sister, and friend. I am blessed to have known her. May God bless you and give you peace during this time. We are praying for you.*

“ We send heartfelt condolences to the family. Olivia was truly a beautiful person inside and out. We worked together for many years at Allen Chapel AME in the late 1970s until the late 1980s when we returned home to Wilmington, NC to care for our parents. With Greta we were very active with the Flower Club - two sets of sisters working together for the Lord. Later with Allens' Day festivities for years - good cooking and fellowship. She is missed - rest well our dear Sis. . .love you!!!

“ To Lawrence, Jr.: I was sorry to hear of the passing of your mother. Your Mother and I have been friends since I arrived in Washington, DC. We were co-workers at the U.S. State Department until you were born. Your mother was the first friend I met and we shared some good times together. You probably would not remember me, but my husband and I spent many social events together years ago. I will miss her smiling face and I know that I have lost a true friend. So I encourage you to continue to live a productive life keeping God first and making your contribution to human kind. I am sure that's what she would want you to do.

May God comfort you during the days ahead. I know He will and take consolation in knowing that you will meet her again. I am praying for you.

Please call me at your convenience. I would like to know how you are doing. Be blessed!
