To the family my prayers are with you. I know you will miss your mom Larry your love was seen in all your care giving and comforting you gave to make your mom life better. I am sure all who were able helped because your mom was special and was so caring to all who came into her space she was loving too. The many years I served as her insurance agent she was always loving and made me feel welcome in your home. I could always spend a little more time with her to get warm when it was cold outside or cool off when it was hot. She always had a Godly word to encourage and she was easy to share private things. I share your lose but celebrate heavens gain. —. Carolyn Nelson
