“ *To Marion:*

I am sorry to hear of your loss, mainly your sister, Ometa. I am having a problem getting this message across to you. I hope that this goes through. It's been a while; however I will never forget the happy days and fun we had during our childhood. We supported each other through laughter and tears. I miss you all and will forever retain the good memories we left behind. I won't be able to attend the services. However you have my prayers and utmost condolences. Love you forever, Eugene Jackson & Family(240-497-0992)

“ I am so sorry to learn of your loss. I know you will all miss Ms. Ometa very much. I encourage you to find comfort in the Scriptures.

Truly we all have a desire to live forever. Did you know that the Bible shows us that is God's original plan for all people? One of my favorite Bible verses is at 1 Corinthians 15:26 where it says that Jehovah will destroy death because it is His enemy. Then at John 5:28,29 we read that Jesus will resurrect our dead loved ones to life on earth where we will all be happy and healthy. (Revelation 21:5)

So while I know this is a challenging time of tears and sorrow I hope you might find peace in what the Bible teaches about our hope for the future.

Wishing You Peace & Comfort,
