“ Please accept my deepest sympathies for your loss. The lost of a love one is the most painful experience we have in life. There is a void that cannot be filled. Rest assured the Bible promises we will hold them again and enjoy their smiling faces forever. It is God's purpose that no one dies ever again and everyone live on earth in Paradise. God never wanted anyone to die but to live happy healthy lives forever on earth. We have to exercise faith in his Son, Jesus Christ, to gain these blessings. God gives us his Word so we can gain comfort now and have hope for the future.##imported-begin##Marquell##imported-end##

“ Carolyn and Carlton, I am saddened to know that your wonderful brother has gone to see Jesus just a little earlier than we might have wanted. I will never forget the remarks he made at my Dad's funeral many years ago. I hope he will tell Dad I said hello when they meet at the Savior's feet. My love to you both and his family.##imported-begin##Mendora Mason Clark##imported-end##
