“ *To Karen, Karena, PJ and Family*

Paul was a wonderful person, full of life and joy. We know you all will miss him very much and we will too. He was so instrumental in helping me (Joyce) get through my cancer journey with his words of encouragement and recommendations so I am forever grateful. He fought a good fight for several years but God decided He needed Paul to man His Angel Brigade so He called him home. Praise God for the time He shared Paul with you and Praise God that Paul is in His loving arms free from all pain and sorry. Paul's earthly body is gone but his spirit will forever live. You will have sad days ahead but do know you have so many friends who love you and will be there for you. Cherish all the good memories you had with Paul and Paul will live forever. When you are saddened more than usual, just look up to Heaven and call out Paul's name and he'll send a smile to let you know he's fine and you all will see each other one day so be happy for him. Paul is now your Guardian Angel in Heaven and he'll continue to provide the love you need. God will continue to shower the family with His Love, Grace and Mercy and we pray that God will continue to provide you all the strength you need during your bereavement period and draw you closer to Him. Be Blessed and you are loved.

Your dear friends, Joyce and Harold Shambley and Mary Cooper

“ Dear Paul, it has been such a great pleasure to have known you and worked with you during the past six years. You have been a great man of your word and have demonstrated significant expertise and professionalism to run successfully the transportation program at EPA. *To Aunt Debra, PJ, and Karena,
God our Father, Your power brings us to birth, your providence guides our lives, and by your command we return to you. Lord, our Love one's body was tried, but I know he still live in our presence, Paul's life changed, but do not end. We pray in hope for our family, relatives and friends, and for all that loved, and knew Paul. May the gentle heart of Jesus bring some comfort, and healing to our wounded souls. May the light of Jesus guide us through this journey of sadness, and pain. We know our loved one is going to someone who loves him even more than us. Paul will see the Glorious face of Jesus as he welcomes him to his eternal home. I know in Your presence he will rejoice in Your kingdom, and all tears are wiped away. We know one day we will be united together again in one family, to sing Your praises forever, and ever. My prayers are with the family, May you feel the Lord's peace and know his love will see us through. Amen.
Love You, Kookie*

“ I would like to extend my deepest and heartfelt sympathy to the Grigsby family. It is my prayer that the Holy Spirit will comfort the family during this time. Although gone too soon, Paul will be missed by so many of his colleagues here at EPA. I want your family to know that Paul was one of the coolest, down to earth, and caring individual I have come across in a while. I had the privilege of working under him for 5 yrs. as a contractor and not once did he make me feel like an outsider. He had impeccable leadership skills and if you worked under him long enough, you would have gain them as well. He always made time for you no matter how busy he was. Always smiling and joking, such a great sense of humor. It is so much I can say about him. I am quite sure that the memories of the man, husband, father, and friend of those who knew him will remain forever. Rest In Peace My Brotha. I rejoice knowing that one day I will see you again.
