“ *On behalf of the NAIFA family, we extend our heartfelt sympathy to Paul's family. Paul was a great asset to the appraisal profession.*

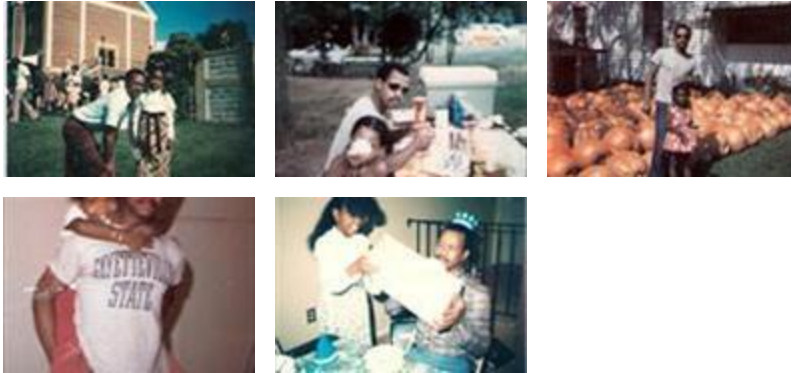

I had the distinct pleasure of knowing Paul while living in Maryland. While days and years may pass without a word spoken, the memories of the caring individual, such as Paul, live on in one's heart.

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
