“ *I have searched high and low for Mrs. Mosby. I am soooooo deeply saddened that I lost connection with her so long ago. She was/is my favorite 4th grade teacher at Meyer Elementary, and the most caring teacher I'd ever had in my LIFE. I used to stay at her house on some weekends. She taught be to be a lady. I am so so sad right now. Mrs. Mosby you were truly loved and I am sooo sad right now. I am 42 years old and still talk about how she was a great inspiration to me. I sooo regret not keeping in touch longer. My God. Rest in Beauty Mrs. Mosby. I love you. My name is Nekeeya Brown.*

Prayers for her family.

“ *To The Mosby Family,
I am the music teacher at Meyer School where I met Pauline in 1992. I enjoyed working with her during that time. I pray the Blessings of our Lord and Savior Jesus Christ upon your entire family. God Bless and Keep You In His Care.*

“ *To The Family of Pauline Mosby.*

Pauline and I worked together at Meyer Elementary School. We both retired at the same time. When we first started work at Meyer, our children were children. Since my retirement, I have been traveling quite extensively all over the world, and had not kept in touch with colleagues. I was so saddened to hear of here long illness. Pauline and I shared many a laugh at Meyer. Pauline has chosen to go on an endless journey through eternity. To you, her family: always remember the sun is always shining even though clouds may come along and obscure the sun for awhile. The sun never stops shining . Pauline is now an infinite spirit , and it is eternal. Her presence may not be felt in the physical, but her light;and her spiritual presence will always be with you. Please accept my sincere condolences and my prayers will be with you.

Peace be still.##imported-begin##Pamela Stitt##imported-end##
