“ Penny:

I sure wish you were here. I miss talking and laughing with you during those long telephone conversations that we used to have. It is not as much fun having to keep secrets to myself since I don't have my very "best friend" to share them with. May God Bless you always!

“ Penny: *I miss you so much. I really miss those random phone calls that we used to make to each other daily -- just to share a little secret or to say something that we both could find a little humor in.*

Okay, okay I know you are up there in the heavens taking care of business and keeping everybody in check but most of all I know you are up there caring and sharing with everyone.

“ To the Family:
Penny will be missed dearly. We have shared our thoughts and dreams from childhood to adulthood and she was always someone I could talk to about anything. She has always been my closest and dearest friend and I will always remember the good times we shared together. I will miss our talks on the phone and our weekly emails to each other. I will always keep you and your family in my prays and in my thoughts.##imported-begin##Priscilla Banks Berry##imported-end##
