“ Phil: it's taken me so long to write because I'm still in a state of disbelief. I miss you more than words can say. You can trust me to pray continually for Terri and Bradley.

Lord: I don't understand why You called Ma home, then just a few days later called Phil home, but I trust You.##imported-begin##Your Sister-In-Law, Monica##imported-end##

“ I graduated with Phil and Bill from Harpers Ferry High School in 1972. I have not had any contact with them since then, but have been able to keep up with them off and on through Pat Stoneberger from Harpers Ferry. What makes Phil's passing difficult, is that just two weeks ago I talked with Pat and asked him if he could find any information where I could locate him. Just yesterday, Pat sent me a clipping of Phil's obituary. I am so sorry for all of us to have lost Phil. Phil was a great classmate and a great teammate during those days.##imported-begin##Robert E. “ *Down deep in the heart of our God,
In mystical regions sublime,
In the Godhead's holy council
Long before our world or our time,
An answer was fully prepared
Every pain, every ache to meet,
In Christ, God's only begotten
Is answer to deep unto deep.*

We pray that you receive God's peace, comfort and joy during this very difficult time. He is able.

“ Phil was both a great friend and a neighbor. I will long remember the many times he and I laughed together over the years. We enjoyed each other’s company and spent hours at a time discussing our common interests e.g., boating and lawn care. I will miss Phil, but I know that he is in a better place.

My family wishes to extend our deepest condolences to Teresa and Bradley for your loss. Phil was a wonderful person and we share in your loss.##imported-begin##Richard and Mary Patrick##imported-end##

“ To The Family of Phillip L. Nunn

I extend my condolences and sympathy to the family and friends of Phil. It was a pleasure to know and work with Phil. When I think of him I just have to smile because he was always about it, whatever it was he had it under control. He was very professional at his job and he enjoyed it. This seems like a dream because it was only about two weeks ago I saw him... little did I know that would be my last time. He was a wonderful, happy go lucky kind of guy who touched many hearts at WSSC. We will all miss him. My prayers go out to his wife and family and if there is anything I can personally do please let me know.

Sincerely,

Darlene P. Hairston

“ I am very sorry for your loss. I can not imagine what you are going through but I do know the the Lord is with you always, especially in times of sorrow. Phil always put a smile on your face no matter what was going on because he had an upbeat personality and was one of the kindest people I knew. I did not work directly with Phil, but saw him around the Commission alot. He will be sorely missed. May God be with you all at this very heartbreaking time.##imported-begin##Mary Mapes##imported-end##

“ My pray is that God will give the family and Phil's many friends the strength during this very difficult time. I first met Phil temping at Chevy Chase Bank and when Phil heard I was looking for full time work he offer me a position but I did not accept. We cross paths again at WSSC and this time I accepted. It was a pleasure to know Phil. I knew when I seen him I would leave with a smile because he would alway tease me about something so I would try to get him before he got me. Phil, you will be greatly missed!!!##imported-begin##Maria Bean##imported-end##

“ My sincere condolences to the family and friends of Phil Nunn. I had the pleasure of working with Phil on the WSSC Federal Credit Union Board of Directors and he was indeed a pleasure to work with. He was one of the many icons of WSSC that you remember always due to his pleasant disposition and just for having such a distint and memorable character about himself. He will be sorely missed. I pray that the family will find comfort in many happy memories of Phil as I will.

“ Phil has surely left an impression on our lives. He left such good warm memories behind. Phil and I worked in the same department and had a chance to talk a lot. We were both from West Virginia, and he helped to take the blunt of the West Virginia “no teeth” jokes. We also had high golf aspirations which were slow developing. Two of the dreams he shared with me was the desire to have a swimming pool and a boat. I am so glad that he was able to see these dreams come true and enjoy them before he died. He was always professional in his work, displayed integrity and never compromised his high moral values. Also, you could tell from talking to him that he loved his family dearly, and he was so proud of his son. May God be with his family at this time of sorrow and give them courage and peace.##imported-begin##Linnie Dixon##imported-end##
