“ Dear Deacon Williams, Leonidas and family,

I was so saddened to hear of the passing of your beautiful wife, mother and grandmother. I will always cherish the time when we were in the Greater First Baptist Church Sunday School. She was the superintendent of the Children's Division as it was called at that time. She dearly loved working with the children, always showing them much love and affection. I have had the occasion to run into her many times over the years and our conversation was such a pleasure. I saw you both a few times Deacon Williams at Takoma Park Baptist when I was a visitor at worship service on Sunday mornings from time to time. She was such a queen in every way..., aptly named as she always seemed regal to me but in such a humble manner. I am very sorry I will be unable to attend her home going service on tomorrow but please be assured that I will keep you and your family uplifted in thought and prayer. May the many wonderful memories you shared bring you sweet comfort.

Blessings, peace and love,
