“ *Rafael was not my friend. He was my family. He was there for me through some of the lowest points of my life and saved my from myself and picks me up and loved me as his brother. I will never forget his amazing and captivating smile he wore everyday and even now I know that he is smiling down on me. I love you my brother and I will continue to live and love as you did with passion and purpose. May the Lord bless your family in this time of need and be there for them as we grieve this loss of an amazing person who can never be replaced*
