“ *I first met Raoul in 1994 in a business context, but we instantly became treasured friends. I am devastated by his loss and am grieving for his dear family- the wife he so loved and respected, and the two beautiful and talented daughters whom he adored. There was only one Raoul.##imported-begin##Lisa Du Boise##imported-end##*

“ To Jan and her two daughters, Alex and Christina:  
Please know how sad I am to hear about this sudden and tremendous loss of your husband and father. Jan, I met you many years ago as an employee of your husband. He remained a mentor and we kept in touch about once a year. I want to share that in wishing each other happy holidays in 2008, his e-mail on 12/26 contained light-hearted comments about his daughters and how well both were doing in business and film/art school. Please also know that God was on his mind as he reminded me of the difference between being religious and being spiritual. If there is ever anything I can do for any of you, please do not hesitate to contact me at my e-mail address and we can go from there. God bless all of you and God bless your husband and father.###imported-begin##Edana Essa###imported-end##

“ To Jan and the Carroll Family:

*My prayers and thoughts go out to you during this difficult time. Jan I recall how proudly you often spoke of Ray during our CA training at Ft. Bragg. As you go through this period of grief, take comfort in the knowledge that the best is yet to come, and that Ray was a man of honor and great achievement, and leaves a legacy that we are all proud of.##imported-begin##Coulbourne Winder, Jr.##imported-end##*

“ Raoul;

*You were such a real brother to me over so many years. I will always remember your warm, yet quiet spirit and your calls to Doug and I on your visits New York. We are going to miss those fun times we shared from musing about our days at Morgan to our conversations about world affairs. Thank you for your thoughtfulness, supportive insights and many business referrals over the years. You were always trying to see ways to help.*

*And to the Cristalex ladies, know that your dad always talked about how proud he was of you. Hang in there ladies. Know that your dad will always be by your side. Our prayers are with you.##imported-begin##Linda Bailey-Walker##imported-end##*

“ I first met Raoul when I came to Washington after the 1988 campaign. I thought he was a very thoughtful guy who stood out. I was proud to be one of his allies. I saw him several weeks ago at a downtown restaurant and it was good to see him.

God bless him and all members of the Carroll family.

“ To the family of my dear brother Ray Carroll I extend to you my deepest sympathy on his sudden passing. We learned so much as young men together on Morgan’s campus, I also learned that Ray Carroll was a person of integrity and character, I will treasure the memories we shared, I will remember the sound of Ray’s distinctive laugh during the good times, and the feeling of trust Ray exuded as a Brother you could lean on when ill winds threatened. I am truly blessed to have known Ray and privileged to have been able to call him my Brother. Ray will be sorely missed, until we meet again. Sincerely, Preston Baker, 1PI70
