“ *We extend our love and sympathy to the family. We were missing LaShawn and ventured to see tributes to her when we realized that Mr. Wilson had transitioned. He always shared his photographic renditions with us. We have so many of his pictures among our keepsakes. May God bless and keep you as you remain in our prayers. We are grateful for all the kindness you gave us to let us join your family reunions, participate in family ceremonies and in general, accept us as family members. Of course, as LaShawn's and Stephanie's teacher, I love them both so much!!!!
