“ *My lifelong travel partner! You didn't know what you were in for once you began a relationship with me. We have traveled with each mode of transportation (plane, train, automobile, bus, and boat - not to be confused with the movie with the same title). We've seen a few great sites together too! I will miss you.*

“ We will always have the movies! I met you at the AMC Movie Theater Greenbelt 14 where we worked. You would sleep in the Thursday night movie premieres just to be with me so I could drive you home after our shifts. Each year you would get the Employee of the Year award, you took a few young employees under your tutelage of Ushering 101 and Crowd Control tips. I would ask you to decline the award so a younger employee could have a chance to win. When you left AMC you received a Jacket and lapel pin and awards. As a family, we would go to the movies for opening weekends, to help our movies with the opening numbers. I even wanted to get married in a movie theater with a movie theme (our running laugh). Your last job was with a movie theater Xscape Brandywine 14. You'll always be my leading male.
