“ *I was not privileged to know Mrs. Floyd during her years with Rural Development. However, I work with employees who knew her very well and all have nothing but caring and respectful stories to share of their time with her. After hearing so much about her I wish that I had the honor of being in her presence.*

*My condolences and deepest sympathy to the family and friends of Mrs. Floyd. May time help to ease your sorrow and bring you peace.##imported-begin##Cheryl Harris##imported-end##*

“ *To The Coleman-Floyd Family*

*God said "I WILL NEVER LEAVE YOU, NOR WILL I FORSAKE YOU" Hebrews 13:5*

*When I first learned of the passing of our loved one I was in shock. I had to sit at my desk and reflect on our days at USDA. The day that came to mind was a Summer day; Renee was such a neat dresser; she was wearing a yellow skirt and blouse set, her hair was brushed up with a yellow flower in it and her radiant smile. This is the way I want to remember her.*

*Renee was such a beautiful person, she will truly be missed.##imported-begin##Cheryl Fleming-Lovitt##imported-end##*

“ I am truly sorry for your loss. I worked with Renee at USDA. Renee and I really love our jewelry and scarfs. One day she saw me in the hallway and said my earrings would match her outfit bettter. We exchanged earrings on the spot in the hallway. The people with us just laughed. When we clean our jewelry boxes out, we would give each other jewelry that we no longer wore. I love Renee and will miss her dearly.

God Bless you and may He give you strength to endure.##imported-begin##Star Bryant##imported-end##
