“ *Our condolences go out to you and your family!!! Mr. Carter was a very close friend to our family. My father (David Roberts) and Mr. Carter were very close for years and Mr. Carter was there with him until he passed. We have a lot of memories and laughter from the past that will never be forgotten. He always gave our family love and support. He definitely will be missed and I am sure there is a place in haven where he will keep giving his love and support. Your family will always be in our prayers for ever.*

*God bless you and your family!!!!
