“ Pop I miss you so much! It's so weird not being able to call you and talk to you, here your voice. I keep finding little things around the house that remind me of you. I love you pop tell Grammy and uncle mike I said hi and miss, love them. I've found myself liking cats more all of sudden. I see them around the house and think how you loved your cats and took care of them. So I've been taking care of these cats outside of my house like you would do. You would love the food they have here. I was missing you the other day so I went and got your favorite beer and drank it in honor of you. I miss and love you pop you were amazing, wonderful, strong man that I looked up too how you always kept going no mater what. I had some creamsicle and root beer the other day, I said pop would like these so I'm going to get this like he would do. I love you pop

“ Pop I miss you so much! I was unpacking and found the cigar boxes you gave me, and the pictures of us from last year. I remember you made me hot dogs and sharing a creamsicle ice cream bar with me. Then you were showing me your new bat you found. Talking about the Nationals and the Orioles together. Then there were the jelly beans you were eating with Amy and I that day. When I brought you the St James Wine you were so happy! Then we went out to play your numbers for you, like you asked. You were the sweetest and and so kind. I looked up to you. You were the strongest worker ever. You would give the shirt off your back if someone needed it. You always looked at life In a way that I admire so much. wish you you were still here. I love you and miss you soo much. Tell Grammy hi and I love her! Tell her rosebud loves her and miss her soo much! Tell uncle Mike hi too. I love you all and miss you all so much.

You were loved by many and will be missed by all. I hope you get a chance to meet my loved ones that I loved and lost. When you run into them let them know how much I love and miss them. “ Pop you were way more than a Grandfather to me. You were like a second father. You showed me how to be a man and take care of myself. You showed me unconditional love you would give a stranger the shirt of your back. You worked two jobs you're whole life to take care of your family. I'm gonna miss you so much pop I don't know what to do without you. I love you with all my heart. Kiss Grammie for me.

“ Reuben was the kindest and youngest soul you could meet. He was a selfless person and a man of simple tastes. He loved toys, trains and had an impressive knife collection that compared nicely against his many flash lights. It was an honor to have met him and be in his life. I will always treasure the honor I held in knowing him and helping lay him to rest at his funeral.
