“ On behalf of the Alexander's, I'm sending my deepest condolences to the Appia family.

Rick and I worked on several joint initiatives over the years and up until recent in the Logistics Integration Office. If anyone has ever worked with Rick, he had his own way of bringing out the best in you. I will miss seeing him showing up to the weekly LIO Rigors eating oatmeal. Rick, you will be truly missed!

“ Rest in peace old friend. I will miss the times we shared together on Upshur street. Since day one we have been nothing but the best of friends. We traveled, laughed, and at times argued, but when it came down to it, our friendship always endured. I know we all wanted you to stay around longer, but I guess GOD wanted you more. Again, rest in peace old friend and GOD willing I will see you on the other side.

“ Rick, you will be sorely missed by your LIO family at DHS/OCRSO. You were the first member of LIO and worked tirelessly to insure the success of LIO. You were instrumental bringing Reggie up to speed. I admired your ability to work one on one with OCIO, especially on the fuel sharing program. Thanks for all of your advice on health matters and fashion advice, I finally embraced the colorful socks you encouraged me to consider. You had special relationships and friendships with each of your LIO colleagues. We are thankful for your service and dedication. We will also miss your day of donuts.

Robin and Family, I am praying for you during this transition period. Rick always had all of you in the forefront of his mind, thoughts, planning, and execution. He loved all of you. Allen, think of the good times. Your father loved you and only wanted the best for you.
