“ To my God Children Tonya, and Richard and Brother Mark and Val, It broke my heart to lose your mother Charlotte my friend of 64 years. And now to lose my dear friend Butch who I have known since 1964.

Over the years we have had a ball, because of our relations our families became one. The Manago and the Shedrick families. If any body wanted to get to know Butch all you had to do was to call him on the telephone and he would talk for hours.

Before Charlotte passed she would say that Butch needed to go to the doctor,

Before her death Charlotte and Butch had rekindled their relationship.

Charlotte was so happy and because of the way that Butch I looked at her, laying in her casket I knew that what Charlotte told me was true. My heart is broken at loosing my lifetime friends, but I rejoice in knowing that they are together again.

Because I am a child of God I know that I will see them again.

I am so grateful that they were in my life and I thank God for them and for you my God- children Tonya and Richard.

I am here for you always,

Love Aunt Barbara and Uncle Chester

“ Dearest Family of (Richard Shedrick Jr.),

I am truly saddened by (Butch's) death. (Butch) was more than just a brother-in-law; he was an amazing person. He was always so kind and considerate to me that I always welcomed seeing him during our Holiday Family Gatherings.

His passing will not only leave a void in my life, but in the hearts of everyone who knew him. (Butch's) memory will always remain deep within my heart.

I join with so many others who knew (Butch) in offering our deepest sympathy on his passing. Although it is little consolation at this sad time, it should be of some satisfaction to know that in his passing you can celebrate the end of a very long and productive life.

The measure of a life well-lived is not in how much money one has or what possessions they have accumulated, but rather through the lives they touched and the sorrow they leave behind. If the outpouring of sympathy on his loss is any indication, and it most certainly is, you can proudly and confidently say that his life indeed was well-lived.

May you find peace and comfort in knowing that his loss is felt by all who knew and loved him.

With deepest sympathy,

*Valentina Shedrick

“ *My Big Brother, You taught me, guided me, gave sound advise and had each other back when we needed it because thats what brothers do. You was strict, but fair, never hesitated when it came to FAMILY. You're exampl of what a BIG BROTHER is and proud to say that you are my Big Brother. I still can't imagine you not being here, but I know that God will take care of you. Now take your place next to Momma and the Angels in the Stars. I LOVE YOU BIG BROTHER AND MISS YOU VERY MUCH!!!!...*

“ We can't begin to imagine what you are feeling, but please let us share our deepest sympathy. In just a little while all of the pain and sorrow that we feel from the death of our love one will cease and be replaced with joy, because the former things have passed away. Thinking of you all.
