“ *What a mighty warrior for God! Sister Roberts was the first person that I saw that was not ashamed of the gospel of God. She was not shy about expressing her love, praise, adoration and thankfulness for God! As a little girl at Dupont Park Church, I would see Sister Roberts sitting on the piano side of the sanctuary and standing up throughout the service with praise and thanksgiving in her heart, lifting her hands shouting “My Lord”! Thank you Sister Roberts for showing me how to be free in my worship to God! Hugs and love to daughter Robbie during this time! I can envision Sister Roberts when she sees God running to Him with wide open arms saying My Lord, My Lord! What a reunion it will be when we all get to heaven!*

Dear Robbie, as you know, your mother has been a loving friend, neighbor, fellow church member and telephone partner for many years... we even watched you grow up. So, it is with deep sadness that we share with you and your other family members her transition from this life. We too are looking forward to the great resurrection morning. Much love and continued blessings. Terrell and Laura Danley
