“ *I met Bobby in the early 90's while singing with Total Experience lead by Wesly Boyd. Bobby was excited about God and sharing his gift of playing music. It is hard to describe him other than being someone very special. He was such a bright and encouraging light for the Kingdom. Shine on Bobby! Kevette, my prayers, and love go out to you. “ My sincere condolences to you family. You will always have a special place in my heart. Bobby.....there will never be a more kind, uplifting, amusing and all around GREAT person and musician. I will forever hold in my memories of old Glendale Bapt. Choirs and rehearsals, which I still have on cassette. Lol. Also I'll remember when I was leading a song with the women's choir and the plug fell out of the mic and you pulled your mic up and we sang together until I got the plug back in. Hilarious...Now that, I still have on video. Bobby we ALL ADORED you and your family so much and will always know how you blessed us all here, do know we shall meet again OVA THERE.... fondly, Sherita Thomas

“ Bobby was an awesome brother, mentor and friend. Quite the musician. To his family, may God comfort you in your time of sorrow. Bobby will be surely missed. He even ministered to our day while walking Bebe. Kevette, wonderful woman of God and wife. Honey B and Dad were always there for B. To his two beautiful children who cherished him as he nurtured them. To my sister Mae and everyone else. You all are a very tightly knit and trusted family. May God comfort all of you. When I think of Master Bobby, I'm reminded of Bishop Nichols. I'm also reminded of Freddy. Well, God always take His best. Rest on our brother, our friend, mentor to many. Suffering has ceased. Now rest in the loving arms of Jesus. Respectfully,

Kevette, I am so sorry to hear of your loss. My heart and prayers go out to you and your family. I want to share this as it has given me comfort during my times of loss.

*Our Father knows what's best for us
So why should we complain
We always want the sunshine,
But He knows there must be rain
We love the sound of laughter
And the merriment of cheer
But our hearts would lose their tenderness
If we never shed a tear
Our Father tests us often
With suffering and with sorrow
He tests us not to punish us
But to help us meet tomorrow
Death is not extinguishing the light; It is
Putting out the lamp because dawn has come*

*So sad to see Bobby go so soon, I worked with Bobby at IBM when we were both going to night schools in Bethesda back in 91-92, I remember one day I gave him a ride into work, and had to stop at my Apt on the way, I showed him a blues Riff, He told me he used it at Church the next week. and everyone went crazy! He invited me to come with him sometime and play organ with him at church. I regret I was never able to do that. I really enjoyed being around Bobby he made me laugh even times I was down I always felt better by the end of the day. RIP Bobby
God Bless you and your Family. The World was a much better place because of Bobby*
