“ *1 year ago today I lost a very dear friend from elementary school when God called an angel home. Tony, I miss you and love you. I will forever remember our conversations about life, our families, our dreams. Your spirit will always be with me. To Tony's family, he loved you immensely and may the sweet memories you shared be the comfort that continues carrying you forward. Take care of yourselves and may God bless all of you. Sincerely, Lori.*

“ *My heart is broken to learn of the passing of Tony Ellerbe. He was a great friend and simply a wonderful guy! He will be missed beyond words, and my only uplift about his passing is that he will no longer have to suffer the pain. My condolences to his family, especially Juniors and Alice Thompson, his father and mother, I have been a neighbor for 28 years and will pray that they get through the pain of Tony's loss. Words cannot express how I feel about this. Rest Tony! You left memories and footprints that will be hard to match! Ron*
