“ *I worked with Robert for many years and I will always remember him as being the most generous and caring friend. He loved to share his cooking skills and would bake cakes for his "girlfriends" at the office whenever there was a birthday to be celebrated. He had long left the NRF when it was my last day in the office and he made it a point to come to my going-away party at the office that day even though he no longer worked there. Sometimes he would pop up just to surprise me on my birthday. And he did this for others and not just me. He was so caring. And he always looked at the positive side of life even though he had his many challenges. My prayers to the family. May you find strength in the Lord at this trying time. Robert, you meant more to me than you will ever know. God Bless you all.*

“ *Cousin Robert was a man of few words but always had a quiet and gentle spirit about him. He loved his family and and was a very social butterfly I learned this week on social media and at work. May he rest in peace you will truly be missed by your family and friends.*

“ Robert and I worked at NRF. His nickname for me was "Nikki J". He and I kept in contact through email. He always had an encouraging, uplifting word. His emails, pictures of his flowers made me smile. Back in September of 2014, he emailed me his Tumbler Blog that has inspirational pictures quotes. I will always cherish it and his kindness. My thoughts and prayers are with you. Robert was a special guy, he will be greatly missed. May God's peace and comfort be with you today, and always.
