“ I knew Robert at one of the lowest moments in my life 2022, he opened up his place to me and was like a big brother to me. You are so funny and a loving person, I will always be grateful. Love you Brother

“ Robert, I miss you so much, your smile and jokes made me laugh when I was around. You always shared with me our love of dark chocolate cake. You were a friend to me and really enjoyed shopping with you. I truly miss you, gone but not forgotten.

“ *I wish we had one more conversation... one more brunch date, one more laugh.*

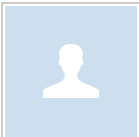

You were the friend I didn't even know I needed, but somehow God knew exactly what He was doing when He placed you in my life. You pushed me, you supported me, and you showed up for me in ways I'll never forget. We shared moments, some beautiful and some difficult, but all of them real and all of them meaningful.

I will always carry those memories with me.

My heart will miss you deeply, but I find peace knowing you are finally at rest. No more pain, no more struggle—just peace.

Until we meet again ☐

“ *My dear friend/son, I will miss you every so much. You were a kind thoughtful, giving person. You were also a blunt person. You entered my life when I needed it the most. I thank God for placing us together. I was your rider-die. Your pain is over. I'm grateful, so very grateful that I had a place in this journey with you. Thank you Miss, Beatrice for sharing Rob with me.*
You are in my heart forever

“ I am so very sorry to learn of the death of Robert. He was a full of life teenager during my days as priest and pastor at Saint Augustine Church. His family was active in the parish and I remember Robert so well for his goodness and his participation in Church activities. I am so very sorry I can't be with the family to celebrate his home-going, but I have a death in my own family and the funeral Mass is the very same day and time. Please be assured of my presence in spirit and my prayers for God's comfort and consolation in this time of grief. God love and bless the Judon family.

Father John Mudd - April 13 at 05:19 PM
