“ *I was honored and blessed to know Mrs. Roberta and to share so many laughs and conversations with. She was such a warm and engaging person to talk with. I loved her smile. Whenever I would see her she would give me a big hug and I am going to miss that.*

“ We had such great times of laughter with Roberta. I'll never forget the times Roberta shared stories of our family's history with my sisters, my husband, my son, and my mother-in-law. I always wondered who had prayed for me. She enlightened me about all the ministers in our family. I remember watching her knit and cut out patterns since she loved sewing and creating gifts for others. She was so talented. It was only a month ago when she and I sat on her sofa and rocked back and forth in each other's arms discussing different topics. She was my baby doll, and I was her doll baby. Thank You Lord for such special and precious memories. Thank you Gerald, Preston, and Carole for sharing your mom with me.

Loving you,  
Cousin Toni Thompson Hutchinson and Denver Hutchinson
