“ *Rocinell was a dear friend to the Community Unity Chorus of Prince Georges County about 10 years ago. As she and I grew to know each other thru the wonderful consumers that made up the chorus, she became a dear friend to Me , too. I was so sorry to read of her passing and wish I had been able to attend her services. May God give peace to her family in the days ahead. Please know that she was truly, truly loved by many people and that she loved her family, as well.*

“ *Ida & Roslyn extends our sincere sympathy to Lloyd and family of Rocinell. We want you to know that God is your protection and strength. God will always help in time of trouble. We want you to know that Rocinell was a loving and caring person and will be miss by many. To those considered to be her friend they knew in side their hearts the true meaning of friendship. God gives strength to those who are tired and more power to those that are weak. The people who trust God will become strong again. They will rise up as an eagle in the sky; they will run and need no rest;they will walk and not become tired. This is the heavenly enteral life of Rocinell.##imported-begin##Ida L.
