“ I am at a loss for words, Rodney was such a big part of my childhood, he wasn't just my karate instructor he was my motivator, the person I looked up to the most. He pushed me when I wanted to give up and reminded me what I was capable of.. Never letting me forget it. When I think of Rodney I think of that big smile that could light up any room. He made such an impact on my life and I am forever thankful to him for everything that he's done for me. May he rest in peace. I love you "Mr. Rodney"###imported-begin###Kelly McLaughlin###imported-end###

“ I was sort of a co-worker of Rodney's years ago when I worked at District Photo, Inc. We never worked together because we were either in different departments or different shifts in the same department Cine. I'll always be grateful to him for the knowledge he would share with me in dealing with the stress of promotions and authority changes in the company. We also shared a great interest in the martial arts. My heart goes out to his family and he will be greatly missed.###imported-begin###Chuck Brown###imported-end###

“ Dear Collier Family,

It saddens me deeply to have to even write a condolence but I feel I must. I am an old coworker of Rodney's at District Photo, I was there for six years. Rodney was the kindest person I had ever met...he always greeted everyone with the most contagious smile I have ever seen on any person, it was a joy to know him. After I left District Photo I would still see Rodney at Greenbelt Elementary where my daughter and Gloria attend. We would chat for a few and I was always greeted by that smile. When I heard he passed I was heartbroken. I felt it was important to tell my daughter so that she may help Gloria through this very rough time, they are classmates and good friends. My daughter told me weeks ago that Gloria had been out for awhile thinking she was just ill. When I told her Gloria's father had passed and she would need to be there for her as this will be a very hard time for her. My daughter certainly can live up to the task of friend. Today they had a party at school and Gloria started to cry, Miranda had asked her what was wrong not leading on that she knew and Gloria said her dad died and Miranda just gave her the biggest hug....just know that you and your family are in our prayers....

Much love,

Miranda and Mimi Shade##imported-begin##Mim##imported-end##

“ My condolences to Collier family. Death is so unwelcome, especially in one so young. I can relate to parental feelings. The thing that helped me was hope from the Bible. Revelation 21:3,4 says death will be done away with. Other Scriptures hold out hope for a resurrection. We can rely on the Creator because he cannot lie Titus 1:2. Again, my sympathies.##imported-begin##Lena Bey##imported-end##
