

## Rodney D Parker

February 2, 1968 - June 10, 2025

Rodney Dechell Parker, beloved son, brother, uncle, veteran, and friend, passed away tragically on June 10, 2025, at the age of 57.

Rodney was born on February 2, 1968, in Shreveport, Louisiana, to Denise Palm Parker. He was raised by his mother and stepfather, Billy Ray Parker. During his early childhood, the family relocated to Los Angeles, California, where Rodney spent his formative years.

A natural leader and high achiever, Rodney graduated from Junípero Serra High School in 1986. He went on to attend San Jose State University, where he joined Kappa Alpha Psi Fraternity, Inc., forming lifelong friendships rooted in brotherhood and service. He later transferred to San Diego State University, earning his Bachelor of Business Administration. He later relocated to Virginia, where he built a fulfilling life and advanced his federal career.

Rodney proudly served his country in the United States Navy and Naval Reserve for over 20 years, achieving the rank of Chief Petty Officer — a testament to his leadership, discipline, and dedication. His commitment to public service continued through his work with several U.S. government agencies, including the Defense Contract Management Agency (DCMA). At the time of his passing, he was employed by the Federal Deposit Insurance Corporation (FDIC).

Rodney was a man of discipline, intellect, and strength. He was known for his humor, integrity, and unwavering sense of responsibility — whether in uniform, in the workplace, with his friends, or within his family. Outside of work, Rodney found joy in hiking and nature, and he built strong, enduring friendships along the way. He valued meaningful connections and consistency in all aspects of his life.

He leaves behind his loving mother, Denise Parker; his sister, LaShawn Parker; and his cherished niece, Victoria Parker. He is also survived by his sister, Regina Wayne, through his father's side, and his brother, Lydarian Kirkendoll, with whom he shared a bond through their father, Billy Ray Parker.

Rodney's legacy of leadership, service, and dedication to family and country will continue to live on in the hearts of those who knew and loved him.

“ Rodney was the most vibrant ball of energy, a helpful and kind human. I remember long time ago he just gave our family ALL of his Christian music tapes cause he just wanted to give it to us. So giving and sweet was his spirit. Such a beautiful soul and he will be so missed on this earth. Hugs and prayers to Auntie Denise and family.

“ Our working relationship was brief in this life, but I felt your welcoming energy when you stopped by my office. I wish we got to talk more about life rather than work. May your energy return to the universe and warm others who need it the most. Rest in Power my friend.
