“ *To Denise, Mr. and Mrs. Quick and the rest of the family: It seems like only yesterday we grew up and played outside on Upshur Street, going from one house to the next for whatever we needed- a bandaid, a snack, conversation - so much LOVE! We have always been connected like a big extended family, so I offer you the same prayers of comfort you have offered to us when our parents passed from earth to glory. God bless you til we meet again.##imported-begin##The Warren Children Ronald, Renee, Lynn and Neal##imported-end##*
