“ *Ronnie has been one of my favorite people since as far back as I can remember. We attended elementary, junior high and high school together, both of us graduating from Sumner High School class of 1969. Ronnie called after a reunion a couple of years ago to tell me how much he valued our friendship through the years. True friends do not have to communicate often to remain friends, and that kind of friendship lasts an eternity. I am so glad that God put us on the same path and I got to know Ronnie's beautiful spirit. My thoughts and prayers are with the family. I know you have many fond memories of Ronnie that you will always cherish. Those memories will see you through the difficult times. Many blessings!##imported-begin##Sandra Wayne Campbell##imported-end##*

“ Sorry to hear about your loss.I can't imagine the feelings you are
feeling. Ron made a huge difference in my life when I worked with
him at ONI for the past 5 years. I was Active Duty Navy. He helped
me get out of the Navy and start a new life as a civilian. He will be
miss by many. He has touched so many people. I wish there were
more people in this world with heart he had.

My blessing go out to the Maddox Family##imported-begin## chris

“ Ronnie was always a great friend and mentor to me. From the moment that I strutted through the doors of the imagery division offices, Ronnie made it his special mission in life to teach me lessons about humility, service and loyalty to God and country. When times were tough, I could always count on him to share his blessings with me and count on him to help me understand the role that Jesus was playing in my life. Maddox family, please accept my sincerest condolences. I am miss him dearly and rest peacefully at night knowing that he has graduated to his place in the hereafter. God Bless.##imported-begin##Richard J. Strand##imported-end##

“ My family and I wish to extend our condolences. Mr. Maddox took a green kid with a lot of drive and sheparded me onto the path I am following now. We spent many hours discussing work and life. His faith showed in all he did. I will miss our "Are we seeing what is actually there or what we want to see", talks. My family and I cannot express enough how deeply he touched our lives and how he will be missed, but we will meet again.##imported-begin##IS1SW John J. Bronnert Jr. and Family##imported-end##
