“ *I work at her doctors office and I was thinking about her because I was talking about going on another cruise. She and I would always discuss her cruises. I wasn't sure if she was still cruising despite Covid but now I see she's cruising with Jesus. She is missed.*

“ *This evening I was thinking about my dear friend Rosa from my days at Gallaudet University in 96' - 99'. She was one of my favorite people in campus. It was always fun playing volleyball during lunch hour with all the staff, she always had that smile that I'll never forget. My thoughts and condolences to her family.*

“ *My condolences and deepest sympathy to the family and Sherman. Rosa was a very special person. We met through our love of playing bid whist. The more I got to know her, the better I liked her. She always shared her experiences and offered friendly advise when I needed it. I will certainly miss her smiling face and can only find comfort in knowing that she is in a better place and at peace. Please reach out to me if I can be of any assistance to the family. Although I haven't met you all, I feel like I know you from the many stories she shared about many of you. Thank you for sharing such a wonderful person with me.*

“ On behalf of the Clearfied Estates, Beall Estates, Brightleaf Knoll and Brightleaf Acre community, I would be remiss if I didn't express my heartfelt condolences to the family of Rosa Mann. She loved her community and was very active in its interests. She was a committed community activist even until the season of her passing. I greatly admired her desire to represent the community and to see it come together. She will be sorely missed.

Thanks and God Bless You,
Anthony Robinson

“ Greg and I first met Rosa at Andrew's AFB playing whist.... I told her how much she resembled my cousin Pat Downtin and showed her and Sherman Pat's picture...Rosa looked and started laughing and said yeah, we do resemble each other...from then on Rosa always greeted me with a big pretty smile and a very loving spirit. While I an saddened to learn of her passing, I'm glad to have known her and wish the most sincere condolences to her family.

“ I remember when ever Bob and I came to play bid whist, Rosa and Sherman couldn't wait to play against us. Rosa and Sherman were both very competitive in playing bid whist. Bob and Sherman would always try to out think each other in the game! Rosa and I would just shake our heads! We will truly miss you Rosa. But take your well-deserved rest from your labor in the arms of our Lord and Savior Jesus Christ!!!

“ My dearest Rosa
It is hard to believe it has been 11 years since we met on a cruise. Through the years we became best friends and the sister I always wanted. You have left me with so many fond memories and have touched my heart like none other. Always talking about our next adventure. "Friends" are our greatest treasure. Thank you for being mine. I have always told you "no matter what we will get through this together" . You will be in my heart forever.

“ Dear Loving Family,
You are in our hearts and prayers. Penny's beautiful, lovely spirit is forever with us as she enjoys her "Vanilla Cherry Ice Cream". I lived with my cousin, Penny, for some time. She loved Marvin Gaye (I know her favorite song - do you?) I zipped her in her favorite jeans - do you remember those snug days?) Take a brief travel down memory lane as you view a few pictures of those who cherished Penny and those who participated in family gatherings. It is very important to make the time to enjoy your loved ones. God bless you.
