“ Dear Tammy, just a few words to let you and your family know that I am thinking of you doing this difficult time. **WHATEVER** else may be involved in the mystery of death, it is a horizon toward which all march and beyond which all must go. Always know God in heaven is there waiting for your lovely Mother to welcome her home. All of you keep looking up.

*I worked with her briefly when she was a contractor for Verizon a few years ago. Myself and others here at Verizon feel she was very sweet lady and a kind person. I want to offer my condolences to your entire family.*

“ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be "a resurrection of both the righteous and the unrighteous."—ACTS 24:15. I'm sure you would love to see your loved one again in the coming Paradise here on earth! Again so sorry for your loss!!*

*"16 For the Lord Himself will descend from heaven with a shout, with the voice of the archangel and with the trumpet of God, and the dead in Christ will rise first"*

*I would like to offer my condolences to the Coley family and encourage you to trust God fully during this difficult period of bereavement. She has transitioned from labor to reward, and is safely in the arms of Jesus. She will be missed but left a legacy that will live forever. Please celebrate her life for she was truly a blessing in all of the lives she touched. You are in my thoughts and prayers.*
