“ Debra, Roy, Lynn and Donna,
These words of deepest sympathy are sent with the hope that, as time goes by, cherished memories will strengthen you and give you an inner peace, and make your loved one still very close to you. May the memories that means the most to you Live forever in your heart. We cherished the love you had for your Father and the love he had for each of you. I was pleased to witness that genuine love between you this past September. No Father could have been loved more than Roy. He was a good Father.
