“ Dear Mr. Harris, Bonnie and David,

We are really sorry to hear of the passing of your wife and mother. Throughout the years our families have been close. Every time my mother would tell me that Mrs. Harris was in the hospital. I would expect her to come out fighting. So this time I expected the same. However, I kept getting reports that she wasn't doing so well. But I still thought she would be ok. Needless to say she has been a constant on my prayer list. Every day I called her name before the Lord.

Unfortunately, I did not have an opportunity to speak with her before she passed. But we did send her a card a couple of weeks ago to let her know that we were thinking of her.

One memory I have of Mrs. Harris is that she taught me how to clean windows. : Another is -- she allowed us to drive her car when ours was down.

Regrettably we will not be able to be there with you during this time. However, we will continue to pray for you.

Love,
