

## Rynell Dixon

February 6, 1968 - March 5, 2022

Rynell Lydell Dixon entered eternal life on March 5, 2022. Leaving behind a zest for life, hard work and perseverance.

He was born February 6, 1968, in Washington, D.C. to Shilah K. Hanee (Harry Lee Dudley Jr. - Bucky) and Ann Theresa Dixon, who both preceded him in death.

Rynell attended D.C. Public Schools, graduating from Frank W. Ballou High School with a full academic scholarship to Florida A & M University. He received his BS degree in Business Administration with cum laude honors. During these years he also met and married Cassandra Hiett with whom he had his only child, Rahsean. Even though the marriage did not last, their love and respect for one another remained.

Rynell took many paths in his career, ultimately working in the Healthcare industry where he was given the opportunity to travel and reside in multiple states where he met and befriended many. He lived in California for over 10 years, finally settling down in Carmichael.

He propelled himself through life with his intelligence, and his unabashed quest for knowledge. He was a very strategic chess player, and avid reader.

There are so many things about Rynell and his zest for life, too many to list. The most that sticks out is that he was spontaneous and did exactly what he wanted to do.

He loved jazz music and enjoyed traveling all over to jazz festivals and concerts. He has traveled to various parts of the world including Europe. During his pilgrimage to Africa, he visited Egypt and got more intrigued with the Ancient Egyptian history. He made multiple trips to Brazil, his destination choice to celebrate his birthday. He loved cooking and deemed himself a self-taught gourmet chef, specializing in Asian, Indian and South American cuisine. He was never afraid to mix it up with seasonings. He made most dishes by taste and never used a recipe.

He loved martial arts and had an inherited passion for boxing which he learned from his uncles and passed down to his son and grandsons.

But with all that said, his most notable trait was his passion for SHOPPING! He was an exceptionally sharp dresser. He took pride in his appearance and would not leave the house until his clothes were perfect.

He leaves to cherish his memory, wisdom, dignity and love his loving family; his son Rahsean, daughter-in-law Sabrina; grandsons Amahri, Kingston and Asad; sister Kimberly; brother Chase Hanee, sister-in-law Sheree; nieces Cora, Courtney and Kelley Brinkley; nephew Slade Hanee; great niece Aeryn Ralls and great nephew Ezra Jones; Closest first cousins Antoinette (Toni) Dixon and Terrence Dudley who were both more like siblings to him. He also leaves to mourn his aunts and uncles, many cousins and other family members and dear friends.

He had a special place in his heart for Kasimah El-Amin, with whom he shared his love and life.

Rynell was and will always be deeply loved

“ Rynell was a freshman in 1986 with me along with 15 other young men that had no idea about our future. We entered into Gibbs Hall, the second floor with expectations of nothing. We were just young and excited to be on the campus of Florida A &M. Rynell, along with many others welcomed the young man from Gainesville Florida as if we were brothers from another mother. Man, this totally knocks me away, he is the second of us that have gone on to be in glory this year. My prayers and condolences go out to his family. Much love Rattler, rest in peace until we meet again.

“ Rynell and I were FAMU classmates, and we were assigned an internship in Accounting at Coors Brewing in Golden CO from Jan 1989 to June 1989. We flew in together right before a huge snowstorm. We had a great time and God blessed us to meet people from FL in CO who allowed us to use their car all the while we were there. We went skiing and hung out at Denver Nuggets games. Miss you homie. Prayers for the family and his children. Till we meet again.

“ Since 1986 you have been like a brother to me and there are no words to express the sorrow and grief I feel. I have many fond memories of our time at Florida A&M University, our travels, your great sense of humor, your inability to beat me at chess and the truly good times our band of brothers shared (Donald Holmes, Reggie Madison) over the years. You will truly be missed but never forgotten.

Your brother,

“ I will always remember the love, care, and support Rynell gave me when we dated. We were younger then, but remained friends with a mutual love and respect for each other.. I'll miss our talks, the laughs, because let him tell it, he knew everything 😊 I'll miss the songs he would send out of the blue 😊 because we liked some of the same genres of music. There is a lot that I will miss, including my Friend.

Rest easy Ry.

Much Love 💕 Melody
