“ *On behalf of my mother, my two aunts and myself I extend to you all our most heartfelt condolences. Your mother was an inspiration and a wonderful person. She filled my mind with stories of her youth and shared her feelings about her family and the world. She made sure I was voting and voting for the right candidate while at the same time helping me to learn a side of my family and its history that I didn't know. She will always be in my heart and in my prayers.##imported-begin##Jan Fontaine##imported-end##*

“ *A Symbol of Hope, a butterfly lights beside us like a sunbeam and for a brief moment its glory and beauty belong to our world, but then it flies again. And though we wish it could have stayed... We feel lucky to have seen it.*

May God bless you and keep you.
