“ I first met Sandy a couple of years back when I took care of her during her stay at Holy Cross Hospital. The moment I met her I just knew she was the kind of friend I needed in my life. We clinged right there, talking about life and of course our favorite foods we both loved chinese. I can recall the time when I met her family and when she welcomed me into her home. We were both Patti Labelle fans, i would call her and leave a tune every now and then. Sandy I was not able to tell you goodbye but i know you are way up there walking around Heaven with yourman Lenoard. i love you and will miss you leaving me messages on my phone. you were like a second mom to me giving me all kinds of great advice as if i was your own. Love Always, Tony###imported-begin##Tony Batten###imported-end##
