“ Dear Family,

I love you guys and I understand what you are going through, sometimes we wonder, "why" but our faith in the Lord tells us that we are here on earth but for a short time. We all belong to GOD, we are on borrow to our family, friends and love ones for a short time, so we use those days to show them love and learn from their journey here on earth. When we unconditionally love them as GOD asked, then we've done our part while they were here on earth. Now that the Lord has called Scotty home, just remember his friendly nature, his love for you and his daughter, the laughter and joy he brought your way and keep him in your heart. I will.

My Prayers are with you.

Peace & Blessings,
