“ *Life Beyond*

I feel the warmth upon my face as I enter the land of God's good grace, Friends and loved ones gone before, waiting here beyond the door. With open arms they welcome me, amazement in my eyes they see. They look so well and at their best, beauty beholds them now they rest.

I walk across the grass so green, the greenest grass I've ever seen, I jump and skip and bounce on air, it's almost like there's nothing there. A sky of blue, not a cloud in sight, perpetual day no darkest night. Every flower is in full bloom, undefined colours of every hue.

The streams and rivers crystal clear, no rubbish or decay found here. The sea is calm and turquoise blue, I long to test it, wouldn't you? The softest sand beneath my feet, at the waters edge where they both meet. The warmest waters gently flow, bathing me from head to toe.

A city built of alabaster walls, where translucent light eliminates the halls. Theatres of music and concerts too, magnificent galleries for all to view. Amazing sights for me to see, I just wander in, there's no entrance fee. Libraries stacked with books galore, history, science and many more.

The celestial sun does forever shine, it's a perfect temperature all the time. Orchards here overflow with fruit, a taste in itself that is quite exquisite. I'm told it will help my soul to restore, pick what I like, there is plenty more. This ethereal plain is a pure delight, it's my new home, my God given right.

There is nothing here to cause me fear, the lord protects within his sphere. An infinity of perfect peace, from the toils of earth I am now released. I have landed on a higher realm, in perfect harmony to forever dwell. So believe when I tell you my dear friends, you cannot die, life never ends.

Scottie you are and will be sorely missed. We love you. Your Sister Valerie, Michael, Von, Michael Jr., and Janay
