“ *Dearest Lea and Family,*

How can I even begin to know what you are feeling? To know your mother has made that final journey is something I can only imagine. But have comfort in knowing that SHE IS THERE and SHE IS WITH HIM. Use this time to recall ALL the memories of your dear Mother, because it was she, more than anyone else, by her actions and example, that taught you to be the wonderful mother that you are. While we cannot be there physically with you please know you, the girls, and your family are in our hearts, thoughts, and prayers.

With love,
