“ Sharon welcomed me with open arms the first day I met her. She was a second mother to me and a friend. Anyone who has met Sharon consider yourself very fortunate. I know she has touched many lives including mine. My heart goes out to Lenox, William, and Sharese and everyone else close to Sharon. She will be missed dearly but she will be keeping an eye on all of us from above. I love you Sharon!##imported-begin##Devon Langlas##imported-end##

“ My mother Sharon Baltimore loved everyone. She loved all of her family, and friends. The day my mom passed was the worst day of my life, it felt like the end of the world. Momma loved me so much, and she did so much for me throughout my life. She was always there for me whenever I needed her. She is the most beautiful women I've ever met. Last couple of weeks I've been drowning in sorrow over the fact that I will never hear that beautiful voice again, until it hit me, Momma is in The Great Paradise in the sky Heaven with her mother, father, sister and brother and She is watching over me. She is watching over all of us. Momma I love you and can't wait to see you at the pearly gates.
